

## The Interlopers

**Genre:** Short Story

Two men are involved in a feud over property. The enemies meet in the forest one night. When an accident traps them together, the two men decide to call a truce. As the story ends, the former enemies face a dangerous situation.

## An Interview with the King of Terror

**Genre:** Magazine Interview

Stephen King shares his ideas about writing and his secrets for what makes a story scary and full of suspense. When asked what advice he would give to aspiring young writers, he recommends they read a variety of literature and write every day.
