Development of Ideas

	How thoughtful and interesting is the writing?	How well are the ideas explained and supported?
4 Wow!	The writing engages the reader with worthwhile ideas and an interesting presentation.	The ideas are fully explained and supported. <ul style="list-style-type: none">• The ideas are well developed with important details and examples.• The writing feels complete, and the reader is satisfied.
3 Aaah.	<u>Most</u> of the writing engages the reader with worthwhile ideas and an interesting presentation.	<u>Most</u> of the ideas are explained and supported. <ul style="list-style-type: none">• Most of the ideas are developed with important details and examples.• The writing feels mostly complete, but the reader is left with some questions.
2 Hmm.	<u>Some</u> of the writing engages the reader with worthwhile ideas and an interesting presentation.	<u>Some</u> of the ideas are explained and supported. <ul style="list-style-type: none">• Only some of the ideas are developed. Details and examples are limited.• The writing leaves the reader with many questions.
1 Huh?	The writing does <u>not</u> engage the reader.	The ideas are <u>not</u> explained or supported. The ideas lack details and examples, and the writing feels incomplete.
